

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility will be having a traditional Thanksgiving Feast for our residents. Thanksgiving dinner will include Turkey, Gravy, Sausage Stuffing, Mashed Sweet Potatoes, Cranberry Sauce, Green Bean Casserole, and Pumpkin Pie.

Also, as a reminder, visitations for the holiday are as follows:

While visitors are still not permitted in the building, we are encouraging family to set up window visits, and we are utilizing Facetime and Zoom so that you may still see your loved ones. These can be scheduled through reception or activities.

As a reminder, our total number of cases to date are as follows: two residents and six staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Wingfield Hills Health and Wellness, I wish you a happy and safe Thanksgiving.

Sincerely,

Anthony Alexander

Administrator
