

## *Christmas Holiday Update*

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays.

The visitation schedule for the holidays are as follows:

While visitors are still not permitted in the building, we are encouraging family to set up window visits, and we are utilizing Facetime and Zoom so that you may still see your loved ones. We want to make sure that all residents have an opportunity to see their loved ones for the holidays, please make sure that window visit times are scheduled prior to arriving at the facility. These can be scheduled through reception or activities by calling the main number. 775-335-8275

As a reminder, our cumulative number of cases to date are as follows:   2   residents and   9   staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Wingfield Hills Health and Wellness, I wish you a happy and safe Thanksgiving.

Sincerely,

*Anthony Alexander*
