HEALTH & WELLNESS

## WEEKLY UPDATE

6/23/2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Wingfield Hills Health and Wellness has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! This past weekend we had a wonderful Father's Day celebration with grilled surf and turf, and root beer floats. We have also been keeping ourselves and the residents entertained by dressing up for special themes and having special treats while celebrating our Nurses and Certified Nurse Aides during their recognized weeks.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly (775) 335-8275.

Sincerely,

Marisa Wade  
Administrator
